GSD Healthcare Middle East Signs MOU with the University of Sharjah

In his position as GSD Healthcare Middle East President, Kamel Ghribi was delighted to sign a Memorandum of Understanding with Professor Humaid Al Otaiba, Vice Chancellor for Medical & Health Sciences Colleges & Dean of the College of Medicine at the University of Sharjah.

The MOU marks the first steps towards the exchange and development of medical skills and knowledge between GSD Healthcare Middle East and GSD Research Universities and Hospitals setting the foundation that will promote a strategic partnership in the field of Healthcare that will bring much benefit to all parties involved both in terms of information exchange, R&D and medical technical advancements.
